MESSAGES FROM THE HOUSE OF REPRESENTATIVES

The Honorable Jerry Thomas
President of the Senate

May 31, 1971

Sir:

I am directed to inform the Senate that the House of Representatives has passed with amendments—

By Senator Barrow—

SB 225—A bill to be entitled An act relating to destruction of property making willful or intentional destruction of property a felony if of a value greater than one hundred dollars (\$100) or a misdemeanor if of a value of one hundred dollars (\$100) or less; providing penalties; providing an effective date.

Amendment 1—

On page 1, after line 12, insert the following: Section 1. Chapter 901, Florida Statutes, is amended by adding sections 901.27, 901.28, and 901.29 to read:

901.27 Citations for misdemeanors or violation of ordinances; notice to appear; form and requisites.

(1) In any case in which a person is arrested for an offense declared to be a misdemeanor or violation of an ordinance and does not demand to be taken before a committing magistrate, the arresting officer may, instead of taking such person before a magistrate, follow the procedure prescribed by this section. The arresting officer shall prepare in duplicate a written notice to appear in court for a preliminary hearing, containing the name and address of such person, the offense charged, and the time and place where and when such person shall appear in court.

(2) The court specified in the notice shall be the trial court having jurisdiction to try the offense charged.

(3) The officer shall deliver one (1) copy of the notice to appear to the arrested person, and the arrested person in order to secure release, must give his written promise so to appear in court by signing the duplicate notice which shall be retained by the officer. Thereupon the arresting officer shall forthwith release the person arrested from custody.

(4) The officer shall, as soon as practicable, file the duplicate notice with the magistrate specified therein. Thereupon the magistrate may fix the amount of bail which in his judgment will be reasonable and sufficient for the appearance of the defendant. The defendant may, prior to the date upon which he promised to appear in court, deposit with the magistrate the amount of bail thus set. Thereafter, at the time when the case is called for arraignment before the magistrate, if the defendant shall not appear either in person or by counsel, the magistrate may declare the bail forfeited, and may in his discretion order that no further proceedings shall be had in such case.

(5) No warrant shall issue on such charge for the arrest of a person who has given such written promise to appear in court, unless and until he has violated such promise or has failed to deposit bail to appear for arraignment, trial, or judgment, or to comply with the terms and provisions of the judgment as required by law.

901.28 Failure to obey written promise to appear.—Any person who willfully violates his written promise to appear in court is guilty of a misdemeanor or ordinance violation regardless of the disposition of the charge upon which he was originally arrested.

901.29 Issuance of warrant on failure to appear.—When a person signs a written promise to appear at the time and place specified in the written promise to appear and has not posted bail as provided in section 901.27, Florida Statutes, the magistrate shall issue and have delivered for execution a warrant for his arrest within twenty (20) days after his failure to appear as promised.

Section 1A. Section 901.28, Florida Statutes, as published in section 1 of this act, is amended to read:

901.28 Failure to obey written promise to appear.—Any person who willfully violates his written promise to appear in court is guilty of a misdemeanor of the second degree, punishable as provided in section 775.082 and 775.083, regardless of the disposition of the charge upon which he was originally arrested.

Section 1B. In the event HB 935, introduced in the 1971 regular session of the legislature, is enacted into law, section 901.28, Florida Statutes, as published in section 1 of this act will stand repealed and be omitted from the Florida Statutes. In the event HB 935 is not enacted into law, section 1A of this act will stand repealed and be omitted from the Florida Statutes.

Section 2. Section 901.06, Florida Statutes, is amended to read:

901.06 Duty of officer after arresting with warrant.—When arrest by a warrant occurs in the county where the alleged offense was committed and the warrant issued, the officer making the arrest shall without unnecessary delay take the person arrested before the magistrate who issued the warrant or, if the magistrate is absent or unable to act, before the most accessible magistrate in the same county. *This section is not applicable to an officer who issues a citation pursuant to section 901.27, Florida Statutes.*

Section 3. Section 901.23, Florida Statutes, is amended to read:

901.23 Duty of officer after arrest without warrant.—A peace officer making an arrest without a warrant shall take the arrested person without unnecessary delay before the most accessible magistrate in the same county and shall make a complaint stating the facts constituting the offense for which the person was arrested. *This section is not applicable to an officer who issues a citation pursuant to section 901.27, Florida Statutes.*

and renumber accordingly subsequent sections

Amendment 2—

In Title on page 1, strike lines 4 through 10 and insert the following: An act relating to criminal procedure and destruction of property; amending chapter 901, Florida Statutes, by adding sections 901.27, 901.28, and 901.29, authorizing an arresting officer to issue a citation to appear in court in lieu of taking a person before a magistrate in misdemeanor cases or violation of an ordinance; amending sections 901.06 and 901.23, Florida Statutes, releasing officer from duty to take a person before a magistrate when a citation to appear is issued; amending section 822.18, Florida Statutes, making willful or intentional destruction of property a felony if of a value greater than one hundred dollars (\$100) or a misdemeanor if of a value of one hundred dollars (\$100) or less; providing penalties; providing an effective date.

CONFERENCE COMMITTEE REPORT ON SB 625

The Honorable Jerry Thomas
President of the Senate

May 28, 1971

The Honorable Richard A. Pettigrew
Speaker, House of Representatives

Sirs:

Your conference committee on the disagreeing votes of the two houses on the House amendments to Senate Bill 625, same being—

A bill to be entitled an act relating to limitation of actions; amending section 95.11 (6), Florida Statutes, to provide that actions to recover damages for injuries to the person arising out of any medical, dental or surgical treatment or operation must be brought within two (2) years; providing an effective date.

—having met, and after full and free conference, have agreed to recommend, and do recommend to their respective Houses as follows:

That the Senate and House of Representatives adopt the Conference Committee amendments to the House amendments which now results in a Conference Committee substitute for Senate Bill 625, attached hereto and by reference made a part of this report.

Managers on the Part of
the House of Representatives

The Honorable Jerry Thomas
President of the Senate

The Honorable Richard A. Pettigrew
Speaker, House of Representatives

Sirs:

I respectfully dissent from the recommendation of the majority and would prefer that the following language be used on lines 27 through 33 of the Conference Committee Substitute, i.e. strike the following:

The cause of action in such case not to be deemed to have accrued until the plaintiff discovers, or through use of reasonable care should have discovered, the injury.

And replace with the following:

The cause of action in such case not to be deemed to have accrued until the plaintiff incurs actual substantial damage.

It is well settled by case law that the plaintiff's cause of action accrues when an "injury" is sustained no matter how slight even through the actual or substantial damage does not appear until a later date. With a shortened period of limitations there will be a tendency to file law suits when there has been an "injury" even through no actual substantial damage has occurred. This is likely since quite often actual damages resulting from medical malpractice do not show up for a considerable period after the negligent act.

HAROLD S. WILSON,
Conferee on the part of the
Senate

On motion by Senator Horne, the Conference Committee Report was read and accepted as an entirety.

Conference Committee Substitute for SB 625—A bill to be entitled An act relating to limitation of actions; amending section 95.11 (6), Florida Statutes, to provide that actions to recover damages for injuries to the person arising out of any medical, dental, optometric, podiatric or chiropractic treatment or surgical operation must be brought within two (2) years; providing an effective date.

Was read the first time by title.

On motion by Senator Horne, by two-thirds vote, Conference Committee Substitute for SB 625 was read the second time by title and by two-thirds vote was read the third time by title and passed. The vote was:
